## VIRTUAL SUMMER CAMP 2021

NOTICE

Under the prevailing prolonged pandemic situation with children confined to homes, the School has taken an initiative to engage them through a structured Virtual Summer Camp. The children will get an opportunity to explore new things and dive into areas they love spending time and hone their skills through the designed co and extra-curricular activities.

It may please be noted that this virtual camp is not mandatory. However, we expect that you will encourage your ward to be a part of it so that he/she is able to utilize the time productively keeping his/her morale high under the situation. Detailed schedule is appended below.
